

May 2022

Dear Friend:

Firefighters risk their lives every day to protect their community—to protect us, our lives, and our property. They are men and women like you and me, yet they serve every day to ensure that we are safe. Their commitment to helping others is second to none.

Fire season is getting longer and more severe every year. We rely on firefighters to protect our communities during these increasingly difficult times. They take pride in their work and don't like to ask for help in return. They endure some of the most unimaginable situations on a daily basis and that takes a toll on them physically and emotionally.

We stand ready to help – whether it is to:

- Cover medical bills not covered by insurance
- Help with monthly bills impacted by a financial loss
- Assist if they lose their house to a disaster while helping save local communities

You can help support firefighters and their families by sponsoring the Fire Boot Classic.

We will be hosting our 9<sup>th</sup> Annual Fire Boot Classic on Saturday, October 1, 2022. This fundraising event features a reception, dinner, poker tournament and casino night, and a silent auction. All proceeds go to support the Foundation's mission of providing support and financial assistance to firefighters and their families in times of need.

**We hope you are able to join us this year and we would like to include you as a sponsor or underwriter of this signature fundraising event.** Our sponsorship opportunities are attached and more information about the event can be found at [www.firebootclassic.org](http://www.firebootclassic.org).

As the charitable hand of Firefighters First Credit Union, the Fire Family Foundation offers grants to firefighters experiencing financial hardship, disaster relief to firefighters, grants to other fire charities nationwide, and \$50,000 in scholarships to firefighters' children each year. With your support, we look forward to providing these services to even more firefighters and their families in the future.

With thanks on behalf of all firefighters,

Dixie Abramian  
Board Chair, Fire Family Foundation
